Proper fitting lace-up single blade skates are recommended. The rule of thumb for purchasing skates is one size smaller than shoe size. New skates do not come sharpened and will require sharpening prior to the first skate. Shoes are not to be worn on the ice.

Attendance Limits

For safety reasons, when arenas and rinks reach their maximum attendance, staff will not allow any more skaters on the ice.

Assistive Devices

Call the facility to see what skating devices are allowed during Leisure Skate programs. No homemade assistive devices are allowed on the ice at any time.

Inclusion and Support Equipment: Sledges

Sledges are available in some facilities. Adapted skating devices make arenas accessible for persons with a disability. Book your sledge in advance by calling 416-395-6183.
