**Due to the unseasonably weather, as of the afternoon of Friday March 6, all outdoor rinks are now closed for the season, with the exception of Nathan Phillips Square.**

**Staff are monitoring the ice carefully at Nathan Phillips Square, but if mild conditions continue, closure may also be necessary at this location.**

Forty-nine artificial outdoor ice rinks are operated across the city for the enjoyment of residents and visitors. Seasonal opening and closing dates, and operating schedules vary at each site according to the rink classification and other factors such as location, weather conditions, and capacity.

**To find out operating schedules for all rinks call 416-338-RINK (7465)**
